THE XPRESS T9021 LASER PRINTERS PROVIDE SUPERIOR PERFORMANCE AT AGGRESSIVELY LOW PRICES. WHEN COMPARING PRINT QUALITY, PRINT SPEED, PAPER HANDLING AND FUNCTIONALITY, THIS FAMILY OF LASERS IS THE PRICE/PERFORMANCE LEADER.

WITH A HEFTY 100,000 PAGES PER MONTH DUTY CYCLE THE XPRESS T9021 IS IDEAL FOR TIME-SENSITIVE BUSINESS APPLICATIONS AND DEMANDING NETWORK ENVIRONMENTS.

Expect More Speed and Quality

At 21 pages per minute, the Xpress T9021 series is 24% faster than other printers in their class. This engine speed combined with 16MB of RAM and a high-speed processor deliver exceptional throughput with less than 12 seconds to print first page.

This impressive speed is accompanied by superior print quality. Uniquely featured with 1200 DPI class resolution, Tally's Xpress lasers produce the crisp text and eye-catching graphics that make the right impression.

Expect More Convenience

Only the Xpress T9021 offers standard auto-duplexing to save both time and money. Base models include a 500-sheet paper cassette plus a 100-sheet multifunction tray with an optional second 500-sheet tray. High input capacities and low jam rates mean optimal efficiency in busy workgroups.

Expect More Network Performance

The Xpress T9021n comes standard with Ethernet 10/100BaseT connectivity which guarantees full functionality across a variety of networks with HP Web JetAdmin compatibility. Also, Tally's exclusive Network Printer Manager utility provides administrators with easy set up and configuration and is accessible for all users via any web browser.

Expect More Satisfaction—Guaranteed!

Tally's dedication to providing best-in-class products is backed by a nationwide network of sales and service professionals and by a 100% money-back guarantee. If you are dissatisfied with your new Tally printer for any reason, you may return it for a full refund within 30 days of purchase, no questions asked. Isn't it time for you to *expect more?*
